Welcome to 9701 Renner,

a Class A Office Building located within the highly desirable Renner Ridge Corporate Center. Overlooking natural trails and water features, 9701 Renner sits in the path of Kansas City's rapidly growing Johnson County, Kansas suburbs.

Construction on the 129,321 RSF building was completed in 2002. The 13.2 acres site allows for an additional 40,000 SF building expansion with parking. Current parking contains 582 parking spaces (5 per 1,000 SF). Along with premier parking, the building includes 480 KVA generator, UPS and computer room, and transfer switch for portable generator, as well as several employee amenities including fitness center with showers and lockers and an outdoor patio space.

9701 Renner is ideal for a 'plug and play' business looking to sit in the middle of the action of the growing 'live, work, play' environment.
